

Merry-Go-Round Temari Class

April 1 at Thistle Needleworks
10:00 am - 1:00 pm

This pattern will teach the technique for dividing into sixteenths (in preparation for the Chrysanthemum design). It also introduces stitching in both North and South hemispheres at the same time.

The supplies needed for this project are:

- 3" ball wrapped with thread (bring your own or buy one from Robin for \$8.)
- Metallic thread - 1 spool Kreinik #12 or similar.
- Perle 5 in 3 or more colors. The photos above show a few different samples for inspiration.

Bring your needles, scissors, tape measure, plenty of pins, eyeglasses, etc.
