

Wrapped Bands & Woven Triangles Temari Class

May 6 at Thistle Needleworks
10:00 am - 1:00 pm

This pattern will teach the technique for marking a Combination 8 (C-8) division. It is composed of two distinct layers, first wrapped bands, then interwoven triangles superimposed on top of the bands.

The supplies needed for this project are:

- 3" ball wrapped with thread (bring your own or buy one from Robin for \$8.)
- Metallic thread - at least 1 spool Kreinik #12 or similar. You could use two different colors as shown in the photo below.
- Perle 5 in 3 or more colors. The photos above and below show a few different samples for inspiration. They mostly have 5 colors of perle cotton each.

Bring your needles, scissors, tape measure, plenty of pins, eyeglasses, etc.
